** Jeff Grant will be in charge of the Media Ministry Schedule. Please contact him if you have any problems with scheduling conflicts. It is imperative that you let him know as soon as you know that you have a conflict in advance of your scheduled service date. This is to allow ample time to make arrangements for a replacement or swap. If you are able to arrange a swap with another person (this is greatly appreciated) please let Jeff Grant know of the swap and write it on the schedule outside the media room. Jeff Grant can be reached by cell or text @ 860-2573, or at home @ 753-1009.

Media Ministry Workers

Thank you for all your time and dedication to the media ministry. This ministry could not exist without volunteers like you. We are currently in the process of working on the “vision” of the ministry, to take advantage of additional technologies and increase our outreach. Watch for exciting changes coming soon!!! If you have ideas for the ministry please let Jeff Grant, John Alexander or Jeff Walker know. Your willingness to serve the Lord and this ministry is greatly appreciated. If you know someone who would be good in this ministry please encourage them to talk to Jeff Grant. We need more people for every position. This would help expand our ministry and decrease your monthly commitment.
